Dear Head Teacher,

Services from the Ethnic Minority Achievement Service 2008/9

I am pleased to send you the attached documents which include:

- An information sheet for Head Teachers
- A poster summarising EMAS services for staff room notice boards
- Individual flyers for centrally run courses :
 - New Arrivals Excellence
 - Inclusion Leader Training
 - Network meetings in your area.

All our training events are based on National Strategy Programmes focussing on the achievement of New Arrivals, Black Pupils and Advanced Bilingual Learners.

I hope they are of help to you. We are in the process of agreeing accreditation for our Inclusion Leader training with Bath Spa University and I will be in touch regarding this at a later point.

This year we are looking forward to expanding our Inclusion Leader Programme and continuing to work with those of you with very low minority ethnic pupil numbers on an individual basis. We will continue to develop our website

Those of you who are already part of the Inclusion Leader programme will be hearing from us shortly either to confirm support allocations for the year or to finalise planning with you.
