mobile library

Timetable effective from October 2009

Your mobile library:

Carries a **selection of books** for all ages, including talking books and books in large print, plus helpful staff to assist with all your **information** needs.

Easy to join. Bring along some identification linking your name and address, and you can usually borrow straight away. If you already have a library card from North Somerset or neighbouring councils, you can use it on the mobile library.

Items borrowed from the mobile library **may be returned or renewed at any library in North Somerset or the neighbouring council areas. Items may also be renewed by telephone or via the internet.** See details below.

Has a **lift** to help disabled and infirm people – just ask the staff.

Your comments on the service are welcome. Please tell the staff, or complete a Customer Feedback form, available at all libraries.

More information about library services on **01934 426 010 (West) 01934 426 020 (North)** or at **www.n-somerset.gov.uk** and **www.librarieswest.org.uk**

Welcome to
YOUR LIBRARIES

Where and when the mobile library visits your area:

Look under where you live in the list inside this leaflet to see which day and time the library comes. Look in the *Frequency and calendar column* to see whether your local stop is visited fortnightly or weekly. In the

column marked *Frequency* is a figure. The calendar below uses these figures to show the days the library will visit your stop. For example, **Abbots Leigh**, will be visited on the dates in column **10** of the calendar.
