Dear Headteacher

### **National Strategies: Ethnic Minority Achievement Training**

We would like to improve our service to your school by offering you the opportunity of specialist EMAS training for an Inclusion Leader within your school who will take responsibility for minority ethnic achievement.

This would enable us to:

- Increase capacity within your school in line with National Strategies to raise the attainment of minority ethnic pupils
- Add a representative from your school to the existing network of Inclusion Leaders with expertise in the needs of minority ethnic pupils and race equality planning within the LA and the region.

As you can see from the attached programme the first session will be of a whole day event. The learning that takes place will be followed up by the development of a school plan to raise the achievement of minority ethnic pupils in your school with support from our staff and the provision of termly twilight network training sessions for Inclusion Leaders.

To nominate a member of staff and book a place, please return the details below to EMAS by 9<sup>th</sup> January 2009.

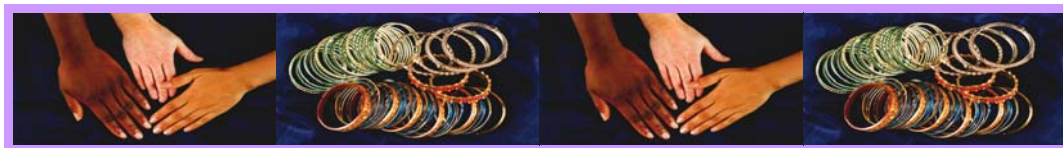

It would be helpful if schools could order the following Primary National Strategies materials:

- Learning and Teaching for Bilingual Children in the Primary School - Ref: 0013-2206 PCK-EN
- Learning and Teaching for Black Children in the Primary Years – Ref: 00058-2008 PCK
- The New Arrivals Excellence Programme – Ref: 006560-2007 BKT-EN from DCSF publications.

Looking forward to our work together this year.

With best wishes
