

**Joint Replacement Structure Plan Adopted September 2002
Structure Plan Policies remaining in force after 27 September 2007**

**Policies of the North Somerset Waste Local Plan remaining in force from
27 September 2007**

**Policies of the Mineral Working in Avon Local Plan remaining in force
from 27 September 2007**

The Planning and Compulsory Purchase Act 2004¹ requires that only those policies of the above Development Plans which have the agreement of the Secretary of State will still be in force after 27 September 2007. All other policies which previously formed part of the adopted Plans will now cease to exist.

The table below lists the policies of the Joint Replacement Structure Plan 2002, North Somerset Waste Local Plan 2002 and the Mineral Working in Avon Local Plan 1993 which **remain in force** from 27 September 2007.

Policies of the Joint Replacement Structure Plan remaining in force from 27 September 2007
