## Seats and Benches

Frequently asked questions

### **Street furniture (seats, benches, etc)**

1. Can I put a seat or a bench beside the road in memory of someone?

Yes, although we will need to issue a licence. You'll have to get approval from your parish council as it'll be their responsibility to look after it. We will issue the licence to them.

2. I've noticed a damaged bench. Will you repair it?

Yes, if the damage is repairable. We may have to remove it while we carry out the repair. If it's damaged beyond repair we will remove it until we have a replacement.
