Jambusting.com

The annual Jam Busting June (JBJ) campaign and commuter challenge is being refreshed for 2010. In its sixth year Bristol is leading this year's event with an emphasis on cycling using their Betterbybike campaign to support the campaign.

The four West of England local authorities are currently re-branding Jambusting June and will launch the new campaign name and website with a September event. More information is to follow - it is interesting to note that year on year commuters change from car to cycle use more than any other mode during Jambusting. <https://www.jambustingjune.com/>

Connect2

- Golden Valley Bridleway surfaced with stone dust not tarmac and is not a 2 metre width due to Nailsea Town Council objections.
- Paulman Gardens need to check if works complete.
- Flax Bourton Greenway re surfacing complete, remedial works in progress.
- Signing from Flax Bourton to N-Somerset showground and Farleigh Green to Cambridge Batch in progress.
- Path between the Cricket Club on The Clanage (A369) and the Create Centre in progress.
- Bristol City Council are still consulting on plans to provide a link through Ashton Court, between the Dovecot Inn and the College.

Cycle Maps

Awaiting delivery of 2010 cycle maps, new Strawberry line maps received.

Maintenance

If you see somewhere out on the network that needs maintaining please let the Streets and Open Spaces Team know. Either phone 01934 888 802 or email streetsandopenspaces@n-somerset.gov.uk
