

Sustainable Communities

Fair for everyone –

including those in other communities, now and in the future

Active, inclusive and safe –

fair, tolerant and cohesive with a strong local culture and other shared community activities

Well run –

with effective and inclusive participation, representation and leadership

Well served –

with public, private, community and voluntary services that are appropriate to people's needs and accessible to all

Thriving –

with a flourishing and diverse local economy

Environmentally sensitive –

providing places for people to live that are considerate of the environment

Well connected –

with good transport services and communication linking people to jobs, schools, health and other services

Well designed and built –

featuring a quality built and natural environment
