Life would like to thank Nailsea and Backwell Rotary Club for allowing us to use their 'Rotary Round' route through the Trendlewood part of Nailsea and the Lodge Lane area of Wraxall.

Start along Brockway with the Scotch Horn Leisure Centre on the left and Brockway Medical Centre on the right. Go to the corner and turn left between the bollards onto Station Road.

Go to the end of the road where you will find a dropped kerb on the right corner. Cross over and head right for about 200m.

Turn left at the footpath sign and follow a private drive. After 200m and immediately

after the Old Quarry bungalow, turn right where the drive bears to the left. After another 10m turn left onto another path.

Carry on until you reach an information stone on the left. Go left down the footpath between the houses (take the second left, not the sharp left).

Cross Trendlewood Way onto a bridleway and after 100m take the footpath on the left just past a house between two stone walls. Continue along St Andrews Close to Shetland Way and then cross left into Gleneagles Close.

Take the footpath at the far end on the right, then go through a passageway passing through the houses onto Cricklade Court. Continue to the end.

Go left following the left hand side of Huntley Grove and cross to a parking bay on the right. Take the footpath to Vynes Way.

Go straight across and continue on the footpath to Cleeve Place. Proceed to the end and take the footpath to the right of number 25 opposite.

Keep left until the footpath joins another path. (Note that you can take a short cut back to the Scotch Horn Leisure Centre by turning left here).

Continue right to Lodge Lane, cross diagonally to the right and take the footpath.

Follow a slight right then go straight ahead via Bell Pit Brow to the playground on the left at the edge of Wraxall.

Go left along the footpath for 600m, around the duck pond in trees on the left, then take the right fork up the slope.

Keep on this path for 200m and take the second

path on the left at the post with the waste bin by it. Continue down the cycle path to Green Pastures Road.

Bear right, cross the road and go around the roundabout into Elm Lodge Road.

Take the right fork onto the footpath and continue to Sawyers Close.

Turn left, cross over and go to the end of the close and onto the footpath up to Lodge Lane.

Turn right again, cross over and go to the end of the road. Cross over and turn left bearing right up Blackthorn Way.

Cross over just before the road on the right, opposite the bus stop, and continue to the footpath on the left just after the houses.

Follow this path, crossing Briar then Ashvale Close, until you meet a lane.

Turn right and pass Golden Valley School on your left. Cross Nailsea Park into Millennium Park, keeping to the left of the building.

Continue to the front of Scotch Horn Leisure Centre and the end of the walk.
