Hearing Participation

Any representors who wish to take part in the hearings should refer to the Inspector's Agendas and confirm by email or in writing to the Programme Officer that they wish to take part and which of the Agendas are relevant to the representation(s) they submitted to the Council's consultation. The Inspector would appreciate any confirmation of participation by 5:00pm on Monday 10 February 2014.

The Inspector wishes to make it clear that there is no necessity to take part in the Hearing sessions. Written representations and representations made orally at the Hearing sessions carry exactly the same weight.

Additional Statements

The Inspector is not expecting any additional statements from Representors. Most of the representations which have already been made are, in themselves, comprehensive and, in his opinion, sufficient to enable a full examination of the matters of concern at the Hearing sessions. However, if additional statements are to be submitted they should not exceed 3000 words and should be submitted to the Programme Officer by 5:00pm Friday 28 February 2014.

The Council may produce additional 'position statement' documents by 5:00pm Friday 28 February 2014. These will be made available on the Examination web-site. Representors who wish to comment on these or to submit responses may do so by 5:00pm Friday 14 March 2014.
