

# Coronavirus

## Stay at home if you are ill

If you or anyone you live with has a temperature or a cough you must all:

- stay at home for 14 days

- keep away from other people

You must not go to your GP, pharmacy or hospital.

If you need help go to **nhs.uk** or if you feel worse call **NHS 111**

Find out more about staying at home at **nhs.uk/coronavirus**
