

# Business Survey Analysis

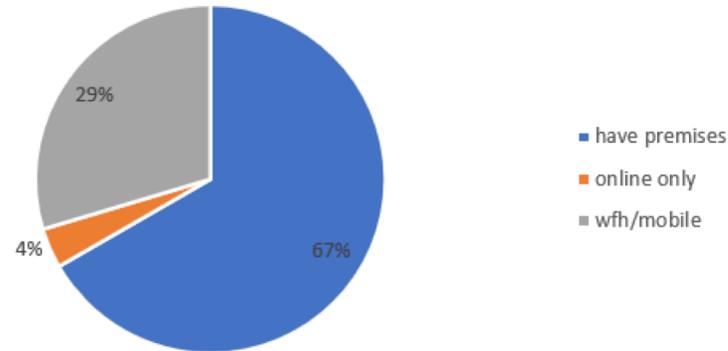

## Nature of businesses

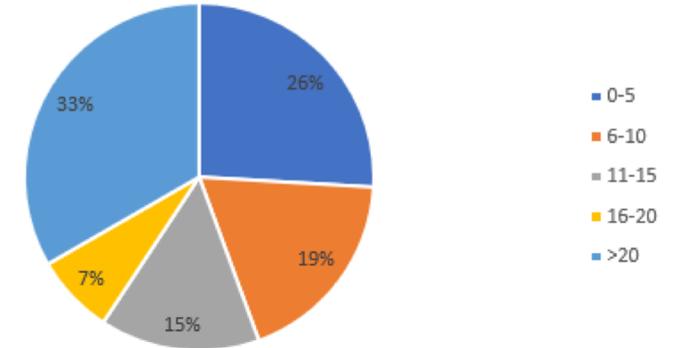

Type of business

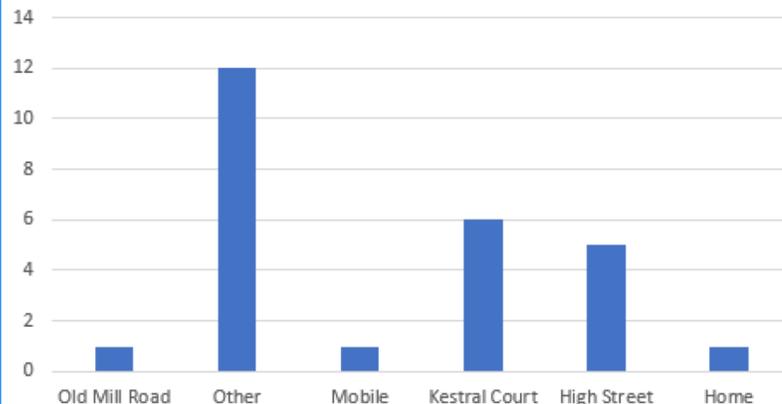

Business Premises

How long have you been in business

Business Locations

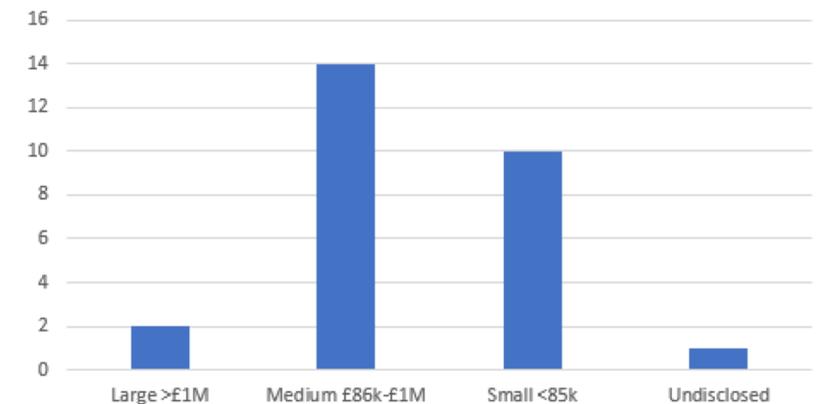

The survey was conducted across 27 businesses in the locality. The main types of businesses in Portishead are small to medium Retail and Offices/Business Services businesses. The majority have premises in Portishead across a variety of locations and are either 0-5 or over 20 years old.

### Considerations:-

- Basis of selection for inclusion in survey and therefore whether results are deemed representative
- No standardised answers and not all questions asked/answered, so manual data cleanse and classifications to facilitate interpretation.

Approximate annual revenue / sales?

## Running a business in Portishead

What businesses find helpful in Portishead

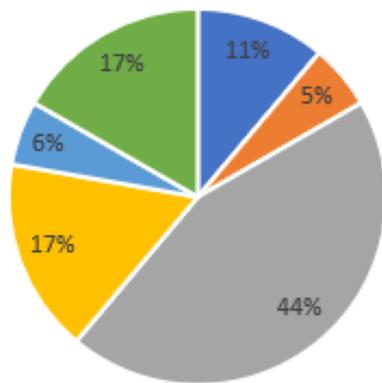

Challenges to working in Portishead

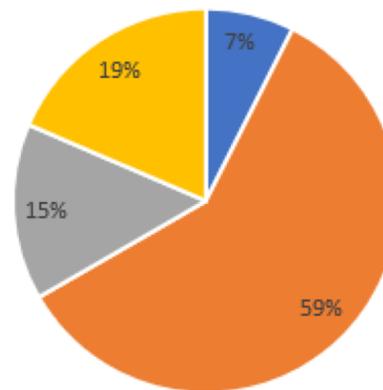

There are some factors that businesses find both helpful and a challenge in Portishead. The biggest challenge is local infrastructure and the most helpful factor is the level of local support.

Projects/Policies Businesses would like to see in the Neighbourhood Plan

- Commercial development
- Airport destinations
- Infrastructure/Railway
- Marketing
- Going green
- Business hub

Significant changes to premises planned

- N/A
- No
- Possibly
- Yes

Aligned to the challenges around infrastructure, the majority of businesses would like to see the Plan supporting Infrastructure improvements, with a notable proportion of respondents specifically referencing the Railway line.

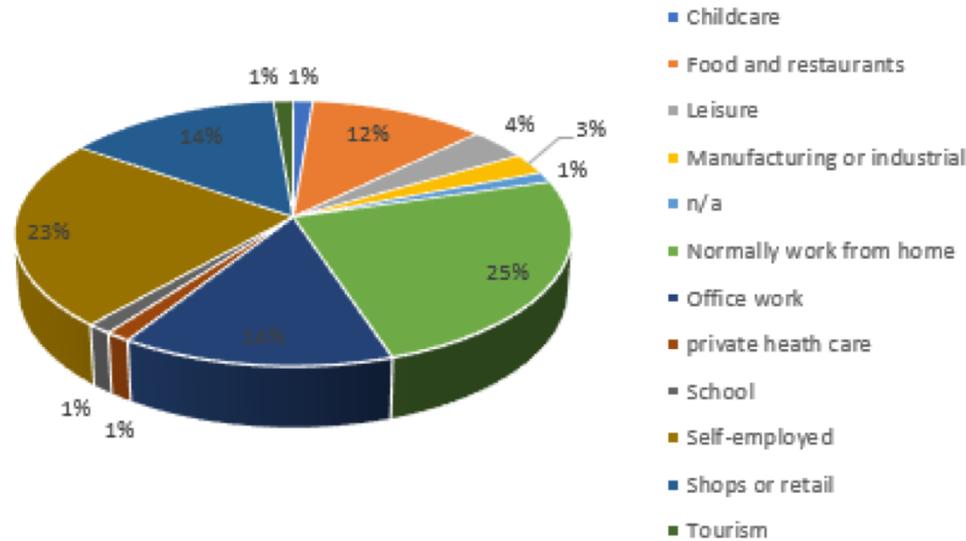

A significant number reference the high rent/rates in Portishead and the challenges of finding suitable premises. Shared office spaces receive a couple of mentions as potential solutions to this.

## How the Neighbourhood Plan should help

In line with residents' priorities for business, residents want the plan to drive focus on town centre vitality, protecting existing employment land.

There are also a significant number of residents who are unsure how the plan may help, but this may be interpreted to be more around their understanding of a Neighbourhood Plan.
