

NORTH SOMERSET DISTRICT COUNCIL

STATEMENT OF REASONS

(VARIOUS ROADS, LEIGH WOODS AREA) **(NO WAITING AT ANY TIME) (EXPERIMENTAL) ORDER 2016**

North Somerset District Council has made an Experimental Traffic Regulation Order to impose “no waiting at any time” (double yellow line) parking restrictions in several locations on Bridge Road and North Road, in the Leigh Woods area of North Somerset.

The restrictions are intended to help manage the significant volumes of on-street parking on these roads which are causing congestion, access difficulties, and leading to concerns regarding road safety.

The restrictions will facilitate the passage of traffic and avoid danger to persons using the roads.
