2. Applications submitted by the spouse or partner of a Councillor or staff member to whom the protocol applies will be treated as if they had been made by the Councillor or staff member personally.

3. Should there, in any individual case, be a doubt over the interpretation or transparency of these arrangements, the Head of Development Management or the relevant Service Manager in the Development Management Group (in consultation with the Chairman of the Planning and Regulatory Committee if appropriate) will decide whether the application ought to be referred to the Committee for decision.
4. In the event that a Ward Member is unavailable due to long term illness or the seat on the Council becomes vacant the relevant Party Group Leader may authorise another Councillor to exercise the absent Ward Member's powers to request applications be decided by Committee as set out in the Protocol for the period of their absence.
5. Applications where the decision would conflict with an objection received from Historic England, Natural England, the Environment Agency or Highways England will normally be notified by the case officer to the relevant Ward Member before a decision is made to enable the member to decide whether to refer the application to the Committee for decision.
- 6 The powers delegated to the Director are exercised on a day to day basis by the front line managers responsible for the running of the service. These are the Head of Development Management, the Service Managers in the Development Management Group and their nominated deputies.
